### الخطبة باللغة الإنجليزية

God supported our King Abdul-Aziz, the founder of our great kingdom, with victory and established the foundations of his rule over the country and the servants. He brought us together, a thousand tribes, and brought their diaspora together, making them an impenetrable fortress in the face of enemies, oppressors and tyrants, spreading love, development and progress throughout Saudi Arabia. The ninth is an example that reminds us of the ancestor, the Mujahid and the fighter who planted unity starting from Riyadh, Hijaz, Najd, Asir, Hail, Jeddah and so on from the soil of the homeland. Honorable gentlemen, the Kingdom has made for its people a supreme value among nations through its unity. Our duty towards the patrons of our order and our green banner is sincerity, loyalty, sacrifice and glorification of this memory and passing it on to future generations to remain an honor that the people of the Kingdom will be proud of until the end of the world.
